Conditions of Attendance – Children’s Health

These rules must be followed in order to ensure the health and safety of your child and the other children who come to the School. Please read them carefully, then sign and date at the bottom of this page. The signed copy must be returned to the school office, to be kept in your child’s file. The other copy is for you to keep.

1. You must make sure that the school has up to date daytime telephone numbers and addresses so that we can contact you if your child needs medical attention. We **must** be able to contact you if your child is unwell or has had an accident.
2. If your child has an infectious disease such as Chickenpox, Measles or Conjunctivitis they cannot come to school. Your GP will be able to tell you how long to keep your child at home, or you can ask for details at the school office.
3. If your child has Diarrhoea or vomiting they cannot come to the school until they have had no symptoms for a full 48 hours. On return to the school it may be necessary to take a stool sample for analysis by the Corporation’s Environmental Health Department.
4. If your child is taking antibiotics they must not come into school until 24 hours after the first dose. They may come back after 24 hours, but only if they are fit enough.
5. If your child becomes ill while at the school we will ring and let you know. You will be expected to take your child home as soon as possible if we feel that they are too ill to stay.

I agree to follow these rules in order to safeguard the health and safety of my own child and the other children in the school.

Permission for photographs and digital images and videos

The issue of child safety is taken very seriously at Christ Church Primary School. This includes the use of images of pupils. These may be used for display/training purposes within the playgroup.

Including images of children in Christ Church Primary School publications and on the Christ Church Primary School website can be motivating for the children involved. However, Christ Church Primary School has a duty of care towards children, which means that children must remain unidentifiable, reducing the risk of inappropriate contact, if images are used in this way.

We ask that parents consent to Christ Church Primary School taking and using photographs and images of their children. Any use of pupil images at Christ Church Primary School is underpinned by the Website Policy of Christ Church Primary School which has been devised in liaison with the Local Education Authority.

We will never include the full name of the pupil alongside an image.

I consent to photographs and digital images of the child named below, appearing in Christ Church Primary School printed publications or on the school website. I understand that the images will be used only for educational purposes and that the identity of my child will be protected.

I also acknowledge that the images may also be used in and distributed by other media, such as CD-ROM, as part of the promotional activities at Christ Church Primary School.

We/I give permission for my child to be photographed

We/I give permission for my child to be videoed.

We/I give permission for my child's photograph/video to be placed on Christ Church Primary School's website.
