

**Topic**

Our focus book this half term is Frankenstein by Mary Shelley
Through Frankenstein, the children in year 4 will be learning to write a letter which will focus on being able to write in first person, learning the layout of a letter and how to include the five senses.

PE

This term the P.E. topic for year 4 will be Athletics. The children will be applying a broad range of skills showing control, coordination and consistency when running, throwing and jumping.

Maths

In maths, the children will be learning about decimals. They will expand their knowledge to include tenths and hundredths. Furthermore, they will be learning about money. The different coins and the value they have. Lastly, the children will be learning how to read an analogue clock.

Year 4

Summer 1

**Art**

In art the children will be learning to sew. They will be learning a variety of different stitches and understanding how colours can have create a mood or feeling within an image.

Science

In Science, we will be looking at electricity. The children will be understanding how a circuit works. How to use electricity in a safe manner and discover if a range of materials are conductors or insulators.

Humanities

In humanities the children will be learning skills for field work. The children will also be learning how to read a map using the grid system.

PSHE

We will be focusing on:
Leadership , Identity and Gender
Consent, Government and Rules,
The Recreational Drugs of Alcohol
and Nicotine.

RE

In RE, the year 4 class will be focusing on Hinduism. The big question for the unit is 'What does it mean to live as a Hindu?' The children will be learning the key celebrations which Hindus celebrate.
